# WELCOME MESSAGE

**Dear Professors, Doctors and Guests,**

It is our great honor and pleasure to welcome you to the Emirates Obstetrics, Gynecology & Fertility Forum (EOFF 2026), which will be held on 12–13 September 2026 in Dubai, UAE. EOFF 2026 is designed to serve as a dynamic scientific platform where distinguished speakers share their latest research findings, clinical expertise, and innovative techniques directly with participants. In addition to the main scientific sessions, hands-on workshops will be organized alongside the conference to provide practical learning experiences and interactive engagement.

Our primary aim is to gather leading global scientists, researchers, and experts in IVF, infertility, gynecology, and obstetrics to exchange the most recent advancements, cutting-edge techniques, and updated knowledge in the field. Through this collaboration, we aspire to advance clinical practice and strengthen professional connections across the region and beyond.

The conference is currently undergoing CME accreditation approval by the relevant Health Authority for Continuing Medical Education.

We warmly welcome you to this distinguished event in the beautiful city of Dubai. We also encourage you to take time to enjoy the vibrant culture, hospitality, and remarkable attractions of Dubai and the United Arab Emirates during your stay.

We look forward to welcoming you and to your active participation in EOFF 2026.

With best regards,

**Dr. Awatif Albahar, MD**  
Conference President  
EOFF 2026
